About AOEF

AOEF equips, educates and empowers orphans and vulnerable children in Africa. Our focus on education and long-standing partnerships with U.S.-based mission/aid agencies in Kenya and Uganda allow us to produce impact that is direct, long-lasting, and multi-generational. We have awarded 112 annual educational sponsorships in Kenya and Uganda since our inception in 2019. We and members of our team live in or travel regularly to the villages and informal settlements in which our students reside. Despite big achievements, we remain a small nonprofit organization, still paying out-of-pocket for our own travel expenses.

AOEF Awards/Recognition: Gold Seal of Transparency (Candid/GuideStar), Member of Nonprofits First, Top-Rated Nonprofit Award (Greatnonprofits.org, 2020-2023), 2023 Palm Beach County Hats Off Nonprofit Award nominee, Classic In The Palm Beaches/PGA Charities/Birdies For Children charity (previously Honda Classic, 3 years), NGO Partner Ariel Foundation International, Gwyn Initiative 2023 Small Nonprofit grantee.

We publish and distribute a children's literacy tool in Africa [*Mercy's Magnificent Dreams]*, maintain a Youth Advisory Council of college students and young professionals across Africa, and piloted *From Leadership To Legacy -* an international leadership curriculum we are exploring an online launch of.
